Project Development Phase

Sprint 1

| Date	5 November 2022
Team ID	PNT2022TMID53170
Project Name	Project - AI based discourse for Banking Industry

Creating a Watson Assisstant:

**Step 1:**
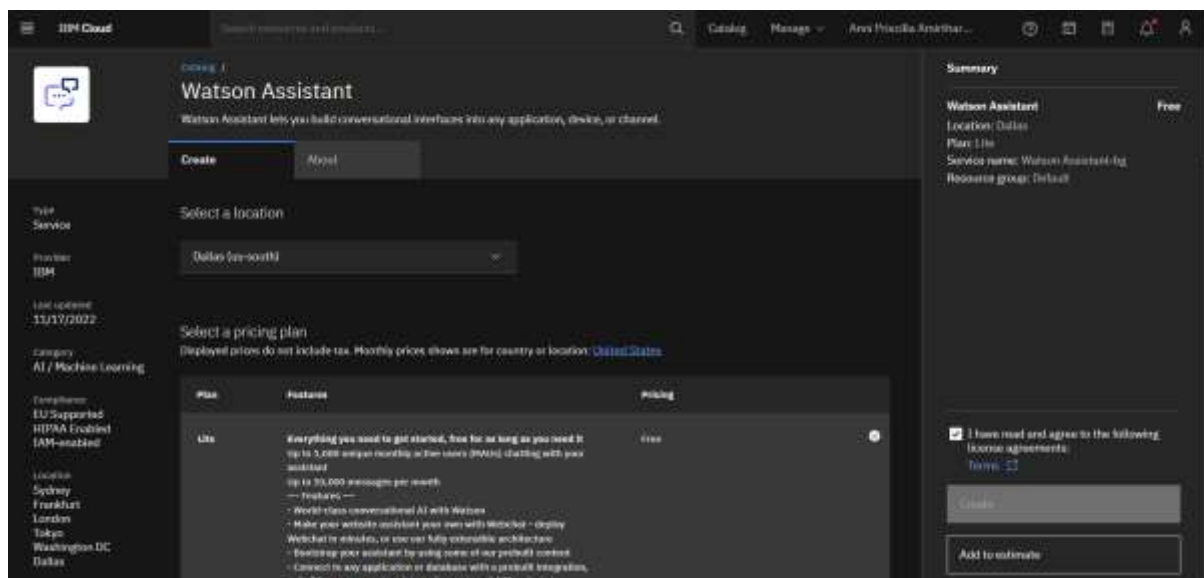

The create button is clicked.

Step 2:

Now, click on "Launch Watson Assistant".

Step 3:

You will be asked to enter the name of the chatbot along with it's description and then the below will be displayed.

Step 4:

Then click on the "Actions" option on the left pane.

Now the Watson Assistant has been created.
